Departs Brisbane

This day tour provides a great overview of the city centre and surrounding suburbs. Cruise up the river through the city centre to New Farm Park.

Time to spend at the *Brisbane Powerhouse - Centre for the Arts*

The *Brisbane Powerhouse* is a unique mid-sized venue featuring cutting-edge performances from Australia and overseas. It has been created within a historic old powerhouse situated on the banks of the Brisbane River.

An initiative of Brisbane City Council, the Powerhouse exposes and celebrates the diversity of contemporary arts in Brisbane and connects it to the rest of the country and the world.

Bold industrial structures, raw textures and graffitied walls combine with well-equipped performance spaces, meeting and rehearsal rooms, outdoor areas and a glorious riverside location make the Powerhouse a remarkable feature of Brisbane city. A photographers delight to capture. (*Optional guided tours of venue available on Tuesday's & Wednesday's only (additional costs apply)*).

Lunch at one of Brisbane's hidden treasures (Melange) in the Roma St Parklands. After lunch, take the time to ponder this newest open space parkland right in the heart of the City. A wonderful array of tropical plants & flowers are all here so get those macro lenses at the ready.

Then off to one of the best locations to photograph Brisbane's mirrored skyline & river & a stroll along the historic banks of the river before heading back to your accommodation to see the results of your days photoshoot.
